

Where Physics Can Take Me

Watch the video [Where Physics Can Take Me](#). All these people use physics in their jobs - but can you guess what they do?

You can use this worksheet to write notes. You might want to think about: What skills do they use in their job? What is their workplace like? Do they work alone, or as part of a team? What do they like to do outside of work?

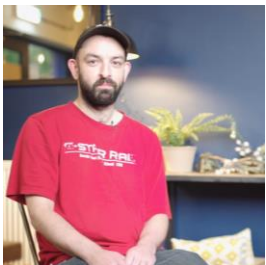

Rachel
Powys

What? What kind of things do they do at work? What skills do they use?

Where? What is the place they work like? Who do they work with?

Who? Do they have any hobbies? What are they like as a person?

I think Rachel is a
